CAD / SolidWorks

RELEVANT COURSEWORK

Interaction Design Studio

Service Design

User Centered Research & Evaluation

Digital Service Innovation

Application Design & Development

Fundamentals of Programming & CS

Programming Usable Interfaces

Rapid Prototyping Technologies

EXPERIENCES

UX Design Intern / Amazon

June 2022 – August 2022

Uncovered pain points of a current tool through user interviews and ideated corresponding recommendations to improve the ux. Created interactive prototypes to visually communicate my ideas and presented my ideas to stakeholders.

UI/UX Design Intern / Intellect

Jul 2021 – Dec 2021

Created wireframes/prototypes for their upcoming product/website using an iterative user-centric approach based on previous ux research. Learned about design thinking and design principles through teamwork and collaboration.

Web Design Consultant / Re:Bloom

Jul 2021 – Sep 2021

Spearheaded the development of a new website for our client in order to improve readability and flow. Followed a design process and conducted usability testing in order to perfect our design.

Product Management Intern / ERT

Jun 2021 – Aug 2021

Worked on finding solutions and improvements for current processes by ideating new features and products based on customer requirements. Collaborated with cross functional teams to outline these solutions.

LEADERSHIP

Internal Development & Organizations Chair / Student Senate

June 2021 – PRESENT

Planned and hosted new member education and social bonding events. Worked with vendors and teams to budget and execute events.

Booth Room Chair / Alpha Phi

Jan 2020 – Mar 2020/ Dec 2021 – Apr 2022

Designed and built the infrastructure of a themed room in our booth, a self-built two story wooden and electrical house.

Director of Events / Alpha Phi

Nov 2020 – Dec 2021

Planned in-person and virtual events. Handled everything from ideation to communicating with vendors/ other chairs to logistics.
